### LEGAL EXPENSES INSURANCE SPECIAL BULLETIN MAY 2022 EDITION

---

#### EXCITING NEW ARRANGEMENT WITH ALBION LEGAL

##### **BEHIND THE SCENES**

We have been working on a deal with a leading provider of legal expenses insurance to provide any business client of ours the security of knowing that for a one-off annual premium not only will any legal fees in connection with any Employment Tribunals be met, but additionally, any settlement or Tribunal award will also be covered!

Cover, as with any insurance policy, is dependent on the policy conditions being followed.

Albion have confirmed that most business and medical or dental practices without a prior claims' history with approximately 10 employees and an average wage roll would have a premium of approximately **£300 plus IPT per annum**.
